

Sanitation Procedures for Ministry Environments

- Spray* and wipe down all:
 - Tables and chairs
 - Countertops
 - Light switches
 - Door handles
 - High touch materials
 - Teaching materials
- Spray* all trashcans, inside and out, after trash is removed and before new liner is put in.
- Spray* all restroom surfaces (toilet, handle, sink, etc.)
- The above procedures will be performed immediately following the conclusion of BBC ministry programs and as needed during programs.

**EPA-registered disinfectant for use against SARS-CoV-2, the virus that causes COVID-19, will be sprayed.*
