

# Wellness Policy for Family Ministry Programs

1. Temperature and wellness screenings will be performed at check-in for birth - 12th grade.
2. Those experiencing any of the following symptoms within the past 24 hours will not be permitted in any BBC program:
  - Fever of 100.4°F or higher
  - Green or yellow runny nose
  - Excessive coughing or sneezing
  - Diarrhea
  - Vomiting
  - Questionable rash
  - Pink-eye
  - Shortness of breath or difficulty breathing
  - Extreme fatigue
  - Sore throat, loss of taste or smell
  - Any communicable illness
2. To return to a BBC program, ministry participants must be symptom-free, without medication, for at least 24 hours.
3. To prevent the spread of illness, ministry leaders will promote and practice:
  - Social distancing
  - Frequent hand washing/sanitizing (required upon entering ministry spaces)
  - Face masks (encouraged for Kindergarten and required for 1st-12th grade)
4. Ministry leaders should contact appropriate Ministry Director with any questions regarding the wellness of a ministry participant. Those showing signs of illness will be dismissed for early parent pick-up. Parent will be notified immediately.
5. Ministry leaders are not permitted to administer medication. Inhalers and epi-pens may be administered in emergency situations only.
6. Families and ministry leaders should immediately notify appropriate Ministry Director if someone in their household has come in contact with an individual who has received a confirmed COVID-19 diagnosis or is experiencing COVID-19 symptoms. All family members should remain home for 14 days before returning to BBC gatherings and/or programs.
7. If a communicable disease is reported, families of children who had close contact with the infected person will be notified.
