Pray for Your One

God, I know there is only one way for salvation. Jesus is clear: He is the only hope for a lost and dying world, and that includes _____. His/Her salvation depends on acknowledging Jesus is who He says He is, and He alone is the source of salvation. Use the people and circumstances in _____'s life today to point him/her to the reality of Jesus. Give me courage and boldness to call _____ to faith in Jesus when the opportunity arises, and help me make it clear there is no other way to be saved.
